

ACT March 17, 2010 "Business" Meeting

CORE CONSTRUCTION

Over \$200,000,000 UnderConstruction & More Coming

Jim Jacobs, President of CORE Construction, will discuss his company's marketing plans for Southern Arizona and their business philosophy for subcontractors, material & equipment suppliers. As a major player in Southern Arizona with over \$200 million under construction and their aggressive business strategy for large and small projects all ACT members should be looking forward to this opportunity to meet Mr. Jacobs.

Plus: ACT attorneys Neal Eckel and Eric Hawkins will share what they are seeing coming across their desk in regards to "Multiple Indemnification" references in contracts. These are dangerous clauses that all subcontractors should be made aware.
